

INVITATION TO TENDER

TC12-011 Glenmore Landfill Entrance Area

The City of Kelowna invites tenders for:
The construction of road and site works on John Hindle Drive, Glenmore Road, and the new entrance to the Glenmore Landfill.

Specified work items are as follows:

1. Construction of approximately 1,130 m of John Hindle Drive including earthworks, road gravels, Superpave asphalt, culverts, headwalls, and retaining wall;
2. Re-construction of approximately 390 m of Glenmore Road including asphalt removal, road gravels, Superpave asphalt, and driveway restoration;
3. New traffic signal installation at the Glenmore Road and John Hindle Drive intersection;
4. Street lighting along John Hindle Drive and Glenmore Road;
5. Civil works along John Hindle Drive for Fortis BC Electric, FortisBC Gas, and Telus;
6. Removal of existing asbestos concrete water main and installation of approximately 1,100 m of new PVC water main;
7. Coordination of power, telephone, cable, and natural gas relocations and installations;
8. Construction traffic management;
9. Construction of the landfill entrance area including approximately 34,200 m² of Superpave asphalt and related road gravels, earthworks, culverts, and retaining walls;
10. Supply and installation of 4 weigh scales and associated concrete works;
11. Supply and installation of 5 prefabricated modular buildings including 2 composting toilet systems;
12. Supply and installation of automated wheel wash station;
13. Construction of various concrete slabs;
14. Construction of approximately 1,300 m of PVC water main and 1,200 m PVC grey water main;
15. Street lighting and electrical distribution for the landfill entrance area;
16. Processing and amending on-site topsoil for use as growing medium;
17. Installation of fencing, handrails, gates, bollards, sign bases, irrigation, and hydraulic seeding.
