This bulletin is for informational purposes only. Please be sure to consult the relevant City of Kelowna bylaw.

PURPOSE

The purpose of this bulletin is to clarify the purpose and requirements of Soil Deposit and Removal Bylaw No. 9612.

SUMMARY

A permit to deposit or remove soil is **ALWAYS** required, unless the deposit or removal on that land:

- involves the movement of existing soil within the boundaries of a single legal parcel
- involves less than 50 cubic metres of soil per parcel of land per calendar year
- is in accordance with a valid Building Permit, Development Permit, and/or approved Site Grading Plan
- is required for the regular operation and maintenance of a nursery or golf course
- Occurs on a highway right-of-way, future highway, or forest service road as is necessary for the construction or maintenance of the highway.

Any person or business that does not comply with this bylaw or Permit conditions shall, upon summary conviction, be liable to a penalty up to ten thousand dollars (\$10,000.00) for each offence.

Businesses that are considered to be repeat offenders will have their business license to operate within the City of Kelowna reviewed and potentially suspended.
