

Class Rides Free Application Form

You have received this form in response to your request for complimentary transit passes for your class. The **Class Rides Free Program** exists because it is important that students experience the transit system, understand how it works, and its many benefits. After all, public transit plays an essential role in ensuring a strong community by creating jobs, protecting the environment, enhancing our quality of life and providing mobility and freedom of choice. Classroom presentations about transportation alternatives are available free of charge.

Please provide the information requested below so that we can process your request as quickly as possible. Please ensure that this form is submitted at least **2 weeks before** you require the complimentary transit passes.

Completed forms should be submitted to Emma Hallas at 1435 Water Street, Kelowna, B.C. V1Y 1J4, fax: 862-3349, email: ehallas@kelowna.ca. Once a decision has been reached on your application, arrangements will be made for the printing of the permission letter that will allow the entire class, teacher and any classroom assistants to ride transit free of charge. Please note that the entire class must travel together and each class can apply to the program once. In addition, the class must travel on a regularly scheduled Kelowna Regional Transit route (special transit service will not be provided). Visit www.busonline.ca for information about transit routes.

School Name: _____

Contact Information:
