

## **NEWS RELEASE**

April 10, 2007

### **FOR IMMEDIATE RELEASE**

## **CLEMENT AVENUE CONSTRUCTION**

Traffic restrictions are now in place on Clement Avenue between Spall and High Roads. The west bound right hand lane will be closed from 7 a.m. until 5 p.m. for several days to permit the installation of concrete sidewalks.

Median construction, the final lift of paving and line painting are anticipated in June from Gordon Drive to Spall Road when more favourable weather conditions prevail.

The City thanks all motorists for their patience and understanding while this work is underway. It is expected the Clement Avenue extension will be in full operation this summer.

The \$8.5 million contract with Hayter Construction Ltd. covers the four lane extension of Clement Avenue from Gordon Drive to Spall Road, an important link in the transportation network.
