

News Release

FOR IMMEDIATE RELEASE

June 17, 2010

Avoid Gordon Drive construction zone

Residents and visitors are reminded that access to the Mission Creek Greenway at Gordon Drive remains closed until Friday, September 10 for construction of the Gordon Drive Bridge and 4-laning.

For their safety, residents are cautioned to avoid this construction area. Shortcutting through the construction zone is dangerous and will not be permitted.

Residents are also reminded that Mission Creek is located in the construction zone and are cautioned against boating and tubing in this area.

For alternate accesses to the Mission Creek Greenway, contact the Regional District of Central Okanagan at www.regionaldistrict.com.

The City of Kelowna thanks residents, businesses and motorists for their patience during this important infrastructure improvement.

Visit kelowna.ca/roadreport for the most up to date road closures and road construction.
