Dear Resident/Business/Proprietor:

Notification of Construction of Houghton Road Multi-use Corridor

As part of this year's construction program, I am pleased to inform you the City of Kelowna will be constructing the Houghton Road Multi-use Corridor from Nickel to Hollywood Roads.

Construction is scheduled to begin in June with completion by September, 2010. The construction contract will be awarded in June.

We would like to invite you to a block meeting to meet the team and discuss the details of construction:

**Wednesday, May 19
5 p.m. to 7 p.m.
Ben Lee Park (adjacent to Houghton Road)**

We appreciate the opportunity to update you on the project during the block meeting. If you are unable to attend and would like more information about the project, please contact Rob Fortuin, Focus Engineering, 250 980-5500.

I appreciate there are inconveniences experienced during construction, however, we are confident the improvements will enhance the area and the active transportation network.

Visit kelowna.ca/roadreport for the most up to date information on road closures, road construction and potential delays.

Yours truly,

Dan Voth
Design Technician
