## Avoid parking in Houghton Road construction zone

Construction is now underway on the Houghton Road multi-use corridor from Nickel to Hollywood Roads and is expected to be completed by October 2010.

In order to aid construction crews working on this project, residents are asked to avoid parking along Houghton Road from Nickel to Hollywood Roads during weekdays. Parking elsewhere will reduce construction complications and allow crews to complete work in a timely manner.

The City of Kelowna thanks residents, businesses and motorists for their patience during this important infrastructure improvement.
