As part of this year's construction program, I am pleased to inform you the City of Kelowna will be constructing the Lakeshore Road & Casorso/Barrera Road Multi-use Corridors.

Construction is scheduled to begin in July with completion by October, 2010. The construction contract will be awarded in June.

We would like to invite you to a block meeting to meet the team and discuss the details of construction:

**Wednesday, June 2  
4:30 p.m. to 6:30 p.m.  
St. Paul's United Church

We appreciate the opportunity to update you on the project. If you are unable to attend and would like more information about the project, please contact Joe Mocilac, MMM Group, 250 869-1334.

I appreciate there are inconveniences experienced during construction, however, we are confident the improvements will enhance the area and the active transportation network.
