

# Drywall Declaration & Acknowledgement

## Glenmore Landfill

### Representations & Warranties

The City of Kelowna is relying on the customer's accuracy and declaration in accepting drywall materials for health and safety purposes.

The City of Kelowna reserves the right to **refuse service** for drywall disposal if this form is not signed or if the material is incorrectly declared.

### Where Drywall Originated:

\_\_\_\_\_  
Street Address

\_\_\_\_\_  
City

**Note:** We do not accept drywall outside of the Regional District of Central Okanagan and Big White

### Declaration Pertaining To This Load (Initial):

☐

Initials

This drywall is coming from **my** house, and I **will not** be receiving payment for the disposal of this drywall.

☐

Initials

To the best of my ability, I have contained the drywall into **clear bags** and there is **no** asbestos, lead, **nor** other hazardous materials or waste contained in this load.
