## HAVE YOUR SAY

The community is being consulted, as well as with culture- and recreation-related organizations, to identify uses that could serve the surrounding neighbourhoods and create a community hub and focal point.

Comments from today's Idea Fair and the online engagement will be compiled by City staff to help shape discussion with potential community partners regarding upgrades to the building and adjoining site.

## ONLINE ENGAGEMENT

Share your ideas and join the discussion online until May 20 at:

## RFP PROCESS

Upon completion of public engagement, the next step will be to solicit interest from third parties to develop a financially-viable business plan through a Request for Proposal (RFP) process.

The RFP will require proponents to provide a concept design, set out anticipated capital and operational expenses, and identify potential funding sources for redevelopment of the Cameron House.

A requirement to respect the building's heritage integrity will be clearly set out in the RFP.

Pending receipt and review of submissions, staff will report to Council in fall 2016 with a recommendation on next steps.
