## INSPIRED CITY SUMMIT

A capacity building conference for the nonprofits sector.

153

### ORGANIZATIONS

Gathered to learn, collaborate, and drive real impact.

### KEYNOTE

*Shoutout to Likky Lavji for a keynote that actually stayed with us. The way he unpacked emotional and cognitive blind spots hit in a real way and gave us a lot to sit with, both personally and in our work.*  
~Do Gooders

### PARTICIPANTS

Networked and connected to influence change.

### PRESENTATIONS

*Throughout the day, we explored topics ranging from board governance and website optimization to ethical storytelling and building stronger collaborations within the nonprofit sector. Each session reinforced our commitment to continuously improve how we serve our community.*
