

Strong Neighbourhoods

Conversation Starters

Don't worry! Everyone gets nervous when meeting new neighbours.

Where is your favourite place to eat out in this neighbourhood?	What skill or ability do you have that you are most proud of?
If you aren't from this neighbourhood originally, what made you decide to move here?	What hidden gems have you found in our neighbourhood?
What do you like to do in your free time?	Where is your favourite spot in our neighbourhood?
What skills do you have that you would be willing to share with a neighbour?	What is the best thing that happened to you this week?
If you had family visiting from out of town, what thing in your neighbourhood would you recommend they see or do?	What is your favourite neighbourhood park?
What are you passionate about seeing happen in our neighbourhood?	What is the most interesting job/volunteer experience that you've had?
Where is the furthest you have travelled?	What is your favourite (local) sports team?

Did you know? Being neighbourly can add years to your life.
