The City of Kelowna Heritage Grants Program was created to recognize the value of heritage in the community by providing financial supports to owners of heritage properties. The program promotes the conservation of residential, commercial, industrial, and agricultural heritage. Grants assist with a portion of the costs incurred in maintaining the building's exterior, including the foundation. Only buildings listed on the Kelowna Heritage Register are eligible to apply. The Kelowna Heritage Register has more than 200 properties currently listed, including 22 that are protected with a Heritage Destination Bylaw. The CoKHGP is administered by the Central Okanagan Heritage Society (COHS).
