**Festival: 9:30am-12pm Waterfront Park**

Questions?  
Please email [info@info.com](mailto:info@info.com)  
or call 250-000-0000

The 4th Annual Half Marathon takes place on the morning of Saturday June 9<sup>th</sup> starting at 7:00am. Over 1,200 runners will travel on a 21-K course taking them from ABC site to Waterfront Park. There is a 3.5-hour time limit for runners and law enforcement will be supervising runners and a rolling road closure to provide a safe environment for runners, residents and passing motorists.

A course map and list of affected roads with times is provided below. Please avoid using these roads during the race. Exercise caution if traveling during the morning hours on June 9<sup>th</sup> in the affected areas until cones, barricades and signs have been removed. Our primary concern is safety. All motorists must obey law enforcement officers and volunteers stationed along the course.

University of Sports and the General Campaign are our main charity partners and will be using this race as fundraisers for their organizations. Come out and cheer on the runners as they pass through your neighborhood and thank you for your support! If you'd like to volunteer in your neighborhood, please contact [generic@email.com](mailto:generic@email.com) or visit the website at [www.generic.com](http://www.generic.com) for more information.

**COURSE & ROAD INFORMATION:** *Approximate times* runners will pass through your neighborhood are listed below. Avoid these areas to ensure safety. Please see reverse for a course map. Thank you! We appreciate your cooperation!

## Detour Routes for Half Marathon – Saturday June 9, 2018

### AREA A – Residences east of Hart, Todd & Saucier Roads

- 7:00 – 8:00am The best access in/out of the area is to go north on McCulloch, Rose and Reid Roads to East Kelowna Road. There will be a complete closure of the intersection of McCulloch/Rose Road and Reekie Road intersection from approximately 7:00am -7:15am to accommodate runners at the start of the race.

### AREA B – Residences on Stewart Rd East, Ruby Rd and Diamond Rd

- 7:00am – 8:00am Vehicles will be able to use Saucier Rd eastbound to McCulloch Road. Alternative route is to travel west and northbound on Bedford Road to Saucier Road which will be open to alternating traffic.

### AREA C –Residences west of Stewart Road E. and southwest of Bedford & Casorso Roads

- 7:00am – 8:00am – use Crawford, Dehart & Swamp Road to travel west and north. If accessing East Kelowna travel east and northbound on Saucier Road.

### AREA D – Residences west and north of Hart, Todd & Saucier Roads (Except Bedford Lane)

- 7:00am – 8:00am – access Spiers Road northbound to KLO Road. KLO Road will provide access west, north and east. To access areas east or south of the race course use KLO Road eastbound to East Kelowna Road and turn south on Reid Road to access Pooley and Rose Roads.
- Residents on Bedford Lane – access Bedford Road and travel either north or south (which will have alternating traffic from approximately 7:00-8:00am)

8:00am – 10:00am Vehicles will be able to travel east of the race course without restrictions as road and lane closures on Saucier, Todd, Hart, Reekie, Bemrose & Pooley Roads will no longer be in effect
