INDOOR VOLLEYBALL

RULES

OBJECT OF THE GAME

To cause the ball to strike the ground on opponent's court or to cause an opponent to engage in faulty playing.

NET HEIGHT

Mixed competitive net height is at 2.43 metres.

PLAYERS

Minimum 5 players on the court at all times of which at least 2 must be female.

The game is forfeited if a team does not have the minimum player requirement by 10 minutes past the scheduled start time. New Rule: A team may pickup 1 player only from another team in the league to reach the minimum number of players required (5 players of which at least 2 must be female). The team must continue to play with 5 players throughout the match. If the team's regular rostered player shows up then he/she must take the place of the substitute player and the team must continue with the legal minimum 5 players. This is for league play only. Teams cannot pick up players from any other team during playoffs.

SCORING

Each match is the best 2 out of 3 games (time permitting). Once a team has won 2 games the match is over. Once a team has won 2 games and the match is over, any further games are for fun and not for points.

Scores will be posted on the volleyball bulletin board at the Parkinson Rec. Centre Gym.

Games go to 25 points. A two-point advantage is needed to win. The Rally-point scoring system will be used.

Best two-out-of-three games wins the match, or the one-hour limit, whichever comes first.

If the ball hits any part of the line, it is considered in and good.

Service zone is the full width of the court. A serve that hits the net, goes over, and lands in is considered good.

FOULS AND ERRORS

The penalty for a foul is a point scored for the opponent's or the loss of serve.

(1) More than three hits on one side.

(2) A player touching the net or stepping over the centre line.

Please call this for your own team! (Center line infractions are the major cause of injuries on the court, please be aware of this hazard, particularly while blocking.)

(3) A double hit (only one consecutive hit per person).

(4) Contacting the ball on the opponent's side of the net prior to their 3rd hit. (NOTE: A follow-through on a spike that started on the right side of the net is not considered a foul.)

(5) Server hits the ball out-of-bounds or into the net.

(6) Ball hits the roof or floor.

(7) Blocking or spiking a serve.

CHARACTERISTICS OF THE HIT
