Q. Is there a "fielding line (150' line)" in SPN sanctioned leagues?

A. No. Fielders are free to stand anywhere.

Q. How do we reschedule a game?

A. Teams must make every effort to play games according to the scheduled date and time. If your team is required to cancel and reschedule a game, every effort must be made to give your opponents greater than 24 hours notice, and to also contact the league coordinator and report the cancellation. Direct contact must be made with team contacts. Do not leave your rescheduled games to the end of the season. Team's will not be required to play more than 2 games in one day.

- Within 24 hours of the Scheduled Start Time:
 - The non-cancelling team has the option of taking the win for the game, or rescheduling and playing the game at a later date. This game will be recorded as a forfeit for the canceling team if it is not played.
- More than 24 hours prior to the Scheduled Start Time:
 - The non-cancelling team has the option of taking the win for the game, or rescheduling and playing the game at a later date. This game will be recorded as a loss for the canceling team if it is not played.
- If non-canceling team agrees to reschedule the game:
 - Both teams must decide on 2 possible dates to play the game, then contact the league coordinator to be assigned a diamond on one of those dates. Using this procedure will reduce the number of calls required to reschedule the game.
