

WHAT TO EXPECT

During Construction

- ▶ Gravel parking lot will be closed during construction
- ▶ Asphalt parking lot (across from Swordy Road) will remain open during construction
- ▶ Vehicle traffic on Lakeshore Road will be minimally impacted. However, pedestrian traffic may be rerouted at various stages of the project.
- ▶ Access will be maintained for residents on Watt Road at all times, however they should anticipate some disruptions
- ▶ Possibility of closing Watt Road access to Lakeshore Road during construction for safety and efficiency purposes, in consultation with adjacent property owners.

Construction expected to start: Spring 2018

Anticipated construction timeline: 2 months

Estimated cost: \$2.2 million

*Construction schedule is contingent upon the land sale
