

A SAFE RETURN TO RECREATION

RESTARTING RECREATION & CULTURE PROGRAMS
SAFELY AND PROGRESSIVELY

Our Active Living & Culture Team is excited to welcome you back. Operating in a pandemic environment, we ask that all participants read, understand, follow and respect the important guidelines below for the health and safety of everyone. We appreciate your patience and cooperation as we work through this together.

WHAT TO EXPECT WHEN ATTENDING PROGRAMS OR VISITING OUR FACILITIES:

HAND HYGIENE

Hand sanitizer or handwashing facilities are available at all indoor and outdoor City facilities.

Frequent handwashing will be promoted at our facilities, especially in kids programs and camps.

Water fountains will not be available, please bring your own waterbottle.

SYMPTOM SCREENING

Stay home if you're sick! Before visiting recreation facilities or attending programs, participants and staff are asked to do a self-check and stay home if experiencing any symptoms.

Any participants displaying symptoms will be kindly asked to leave for the collective safety of all participants and staff.

ENHANCED CLEANING

High touch areas will be cleaned frequently. In addition, disinfecting spray or wipes will be available at all programs and indoor spaces.

Equipment will not be shared without proper cleaning in between. Extra time is scheduled between activities for cleaning.

Come prepared to play as change room access will be limited.

PHYSICAL DISTANCING

Larger or outdoor spaces may be used to ensure distancing.

Program capacities may be reduced based on the space and type of activity. Please do not arrive more than 5 minutes before your scheduled class.

Activities may be modified including a higher focus on individual vs. team play. Spectators are not permitted at indoor classes at this time.

Facility modifications including increased signage, floor markings and barriers.

PLEASE NOTE:

Our Active Living & Culture team is using the current information and guidelines from Provincial agencies to inform our summer recreation program offerings. As COVID-19 is unpredictable, we will continue to be adaptable.

Programs may need to be changed, moved or cancelled as the pandemic and associated measures evolve. Refunds and/or credits will be made available as needed. We ask that you be patient and understanding if changes need to be made throughout the course of the summer. Thank you.
