

City of Kelowna Water Utility

2024 Irrigation Controller Rebate Form

Please check one of the following This rebate program was an incentive to get me to replace my irrigation controller, which I wouldn't have done otherwise.

OR I was planning to replace my irrigation controller anyway, even without the rebate.

1. Eligibility

Only commercial or residential properties connected to the City of Kelowna Water Utility system are eligible for this rebate. Properties serviced by private wells or other water purveyors (Rutland Water Works, Black Mountain Irrigation District, Glenmore Ellison Irrigation District) do not qualify. Applications will be accepted until October 31, 2024.

Applicants must have purchased and installed an irrigation controller that meets the requirements listed below. There is a maximum of one (1) rebate per installation address. Total rebate value is 50 percent of the purchase price up to a maximum of \$100 for single family residential, \$200 for strata complex.

Applicants must submit a copy of the receipt indicating purchase before October 31, 2024, and must attach a copy of a Kelowna Water Utility bill that clearly shows the property address, account number, and is dated within the past six months. Applicants must allow a Water Smart representative to complete an onsite visit to verify installation prior to receiving the rebate.

Be sure to attach all required documents. Rebates will be issued to registered owners only.

Name of Registered Property Owner

Mailing Address

Postal Code

Telephone

Email

3. Address of Installation

Same as above or

Address

City

Postal Code

4. Product Information

Manufacturer/Brand

Model Number

Purchase Date

Installation Date

In order to qualify, Irrigation Controllers must meet the following requirements:

- 365-day calendar
- Programmable to meet odd/even watering restrictions (specific day scheduling)
- Water budgeting/ seasonal adjustment by percentage
- Rain delay feature
- Installed according to manufacturer's specifications

I have attached the following REQUIRED documents:

- Copy of the dated sales receipt indicating model name and model number
- Copy of Kelowna Water Utility bill for address installed

Failure to include the required information could cause a delay in processing the application and could lead to the application being denied.

5. Declaration

I declare: that my property is connected to the City of Kelowna Water Utility water supply system; that I have purchased a qualifying irrigation controller; that it has been installed as per the manufacturer's specifications. I understand that the City of Kelowna Water Utility is not responsible for the installation or functioning of the irrigation controller. The City of Kelowna Water Utility reserves the right to inspect or verify that the above items have been installed.
